

Kaufman County Freshwater Supply District No. 1-C

COMMUNITY IMPROVEMENTS

April 28, 2022

Dear Residents/Community Members:

The Kaufman Country Freshwater Supply District No. 1-C has contracted with LF Miller Construction and RapidFoam Inc. to make repairs on our infrastructure throughout the District. This work will include repair of pavement, sidewalks, water valves, and street signs, within District No. 1-C only.

When (excluding holidays, weather permitting):

- April 28, 2022 to October 25, 2022

Where:

- Various locations throughout District No. 1-C

What to Expect:

- Work hours are typically Monday through Friday 8am-6pm
- Two or three crews of about 3-5 people each and a backhoe (picture), dump truck, utility truck and pick-up truck.
- Some noise from equipment operating.
- Traffic control devices such as cones, barrels and delineators.

Please use alternate routes if possible as some traffic delays may occur. We apologize for any inconvenience and we thank you in advance for your patience and cooperation.

Should you have any questions or desire any additional information about the construction, please contact the Engineer for District No. 1-C, Karena Hauter, P.E. of BGE, Inc., at khauter@bgeinc.com.

For immediate attention onsite within District No. 1-C, please contact LF Miller Construction, Luke Miller at 903-335-1143 or luke@lfmillerconstruction.com; RapidFoam, Inc. Kevin Murphy at 972-754-8594 or Kevin@rapidfoaminc.com; BGE Construction Manager, Aaron Lyman, at 972-464-4848.
